

PRESS RELEASE

REGULATED INFORMATION

13 April 2021, 07:00 CEST

Invitation to the Annual and Extraordinary Shareholders' Meetings

Mechelen, Belgium, 13 April 2021 – Biocartis Group NV (the 'Company' or 'Biocartis'), an innovative molecular diagnostics company (Euronext Brussels: BCART), has the honor to invite its shareholders, holders of subscription rights, holders of convertible bonds, directors and statutory auditor to its annual and extraordinary shareholders' meetings that will be held on Friday 14 May 2021 at 2:00 p.m. CEST.

In light of the COVID-19 pandemic, it is currently envisaged that the measures imposed by the Belgian government to deal with this pandemic, such as the limitations on the number of people attending gatherings and the obligation to guarantee a distance of 1.5 meters between each person, may still be in effect on 14 May 2021, the date of the Company's annual and extraordinary shareholders' meetings. These measures are in the interest of the health of individual securities holders, as well as of the employees of the Company and others who are responsible for organizing the shareholders' meetings. Furthermore, it cannot be excluded that the Belgian government will impose additional measures.

As a result, the Company advises its securities holders **not to attend** the annual and extraordinary shareholders' meetings **in person**. Shareholders can **exercise their voting rights** by [voting by mail form](#) or by written [proxy](#) to the chairman of the Board of Directors of the Company. The Company will also set up a **video conference** to allow those holders of securities of the Company who have duly registered for the annual and extraordinary shareholders' meetings and who have duly completed and returned the form 'Attendance Form for Securities Holders' to the Company to follow the meeting remotely and ask questions during the meetings. The video conference will not qualify as an electronic communication tool to attend and vote at the shareholders' meetings in the meaning of Article 7:137 of the Belgian Code of Companies and Associations, but will be an extra facility for securities holders to follow the shareholders' meetings. Furthermore, the Company recommends its securities holders to exercise their right to ask **questions** with respect to the agenda items of the shareholders' meetings **in writing, before the shareholders' meetings**. More information about voting by mail or by written proxy and exercising the right to ask questions can be found in the [convening notice](#).

Biocartis will monitor the COVID-19 situation closely and will disclose all relevant information and measures that have an impact on the shareholders' meetings on the [Biocartis website](#). Depending on the situation and the possibilities provided for by the applicable legislation, the Company reserves the right to take additional measures. The Board of Directors would like to thank the securities holders for their understanding and cooperation.

In order to be admitted to the shareholders' meetings, the holders of securities issued by the Company must comply with Article 7:134 of the Belgian Code of Companies and Associations and the articles of association of the Company, and fulfill the formalities described in the convening notice. The convening notice and other documents relating to the shareholders' meetings can be consulted on the [Company's website](#).

--- END ---

Forward-looking statements

Certain statements, beliefs and opinions in this press release are forward-looking, which reflect the Company's or, as appropriate, the Company directors' or managements' current expectations and projections concerning future events such as the Company's results of operations, financial condition, liquidity, performance, prospects, growth, strategies and the industry in which the Company operates. By their nature, forward-looking statements involve a number of risks, uncertainties, assumptions and other factors that could cause actual results or events to differ materially from those expressed or implied by the forward-looking statements. These risks, uncertainties, assumptions and factors could adversely affect the outcome and financial effects of the plans and events described herein. A multitude of factors including, but not limited to, changes in demand, competition and technology, can cause actual events, performance or results to differ significantly from any anticipated development. Forward-looking statements contained in this press release regarding past trends or activities are not guarantees of future performance and should not be taken as a representation that such trends or activities will continue in the future. In addition, even if actual results or developments are consistent with the forward-looking statements contained in this press release, those results or developments may not be indicative of results or developments in future periods. No representations and warranties are made as to the accuracy or fairness of such forward-looking statements. As a result, the Company expressly disclaims any obligation or undertaking to release any updates or revisions to any forward-looking statements in this press release as a result of any change in expectations or any change in events, conditions, assumptions or circumstances on which these forward-looking statements are based, except if specifically required to do so by law or regulation. Neither the Company nor its advisers or representatives nor any of its subsidiary undertakings or any such person's officers or employees guarantees that the assumptions underlying such forward-looking statements are free from errors nor does either accept any responsibility for the future accuracy of the forward-looking statements contained in this press release or the actual occurrence of the forecasted developments. You should not place undue reliance on forward-looking statements, which speak only as of the date of this press release.
