BIOCARTIS ANNOUNCES RESIGNATION CFO

Mechelen, Belgium, 27 January 2020 – Biocartis Group NV (the 'Company' or 'Biocartis'), an innovative molecular diagnostics company (Euronext Brussels: BCART), today announces that Ewoud Welten, the Company's Chief Financial Officer ('CFO'), has decided to resign from Biocartis and to pursue an opportunity in the Netherlands, closer to his home and family.

Biocartis has initiated a selection process to recruit a new CFO. The Company and Mr. Welten have agreed that he will stay with Biocartis until the end of March 2020 to ensure a smooth transition for the Company.

Herman Verrelst, Chief Executive Officer of Biocartis, commented: "Ewoud has been with us for around 5 years and during this time he has been a valuable asset to the company. He was instrumental in securing the necessary financing for the Company and leaves behind strong teams in finance, legal and investor relations ready to support the Company's ambitious growth plans for the next years. I am sorry to see him go but respect his decision. We wish him all the best."

--- END ---

Forward-looking statements

Certain statements, beliefs and opinions in this press release are forward-looking, which reflect the Company's or, as appropriate, the Company directors' or managements' current expectations and projections concerning future events such as the Company's results of operations, financial condition, liquidity, performance, prospects, growth, strategies and the industry in which the Company operates. By their nature, forward-looking statements involve a number of risks, uncertainties, assumptions and other factors that could cause actual results or events to differ materially from those expressed or implied by the forward-looking statements. These risks, uncertainties, assumptions and factors could adversely affect the outcome and financial effects of the plans and events described herein. A multitude of factors including, but not limited to, changes in demand, competition and technology, can cause actual events, performance or results to differ significantly from any anticipated development. Forward-looking statements contained in this press release regarding past trends or activities are not guarantees of future performance and should not be taken as a representation that such trends or activities will continue in the future. In addition, even if actual results or developments are consistent with the forward-looking statements contained in this press release, those results or developments may not be indicative of results or developments

in future periods. No representations and warranties are made as to the accuracy or fairness of such forward-looking statements. As a result, the Company expressly disclaims any obligation or undertaking to release any updates or revisions to any forward-looking statements in this press release as a result of any change in expectations or any change in events, conditions, assumptions or circumstances on which these forward-looking statements are based, except if specifically required to do so by law or regulation. Neither the Company nor its advisers or representatives nor any of its subsidiary undertakings or any such person's officers or employees guarantees that the assumptions underlying such forward-looking statements are free from errors nor does either accept any responsibility for the future accuracy of the forward-looking statements contained in this press release or the actual occurrence of the forecasted developments. You should not place undue reliance on forward-looking statements, which speak only as of the date of this press release.
